

## **Globalization Partners International (GPI) launches new telephonic interpretation services for membership organizations, hospitals and corporate users.**

*GPI's translation portal ([www.translationportal.com](http://www.translationportal.com)) now offers Telephonic Interpretation Services!*

WASHINGTON, DC, - September 6, 2006 - Globalization Partners International (GPI), a provider of [translation and interpretation services](#), announced today that it has launched a Telephonic [Interpretation Services](#) offering as part of [www.translationportal.com](http://www.translationportal.com). Utilizing a national telephonic interpretation service, clients can have access to live [interpreters](#) by simply dialing a toll free 1-800 number and entering a unique access code. Live interpreters can be accessed 24 hours a day, 365 days a year.

“GPI’s [Translation Services Portal](#) ([www.translationportal.com](http://www.translationportal.com)) now offers telephonic [language interpretation services](#) for healthcare providers, membership organizations and corporations who need 24/7 access to [interpreters](#) in over 150 languages,” says Ken Renfro, GPI’s Managing Partner. “Our translation portal which clients can uniquely brand and customize for their hospital, membership organization or company, now provides access to both documentation [translation](#) and [interpretation services](#).”

GPI’s telephonic [interpretation services](#) include:

- 24/7 access in over 150 languages
- Supported by over 1000 professional, certified linguists
- Average connect time of 30 seconds
- Pay-As-You-Go Fee Structure - You pay only for the minutes you use
- Special tracking and billing for different departments within organizations
- Comprehensive E & O Policy Coverage on all sessions

GPI provides professional interpretation services to companies who have face-to-face language needs throughout the United States and the world. GPI’s interpreters are trained, certified professionals fluent in both source and target languages. These interpreters work in accordance with the 2000 American Standards Testing and Materials (ASTM) Standards for Interpretation Services. **GPI provides three types of Interpretation Services:**

**Consecutive Interpreters** for business meetings, training sessions, tours, seminars, judicial proceedings, depositions, etc.

**Simultaneous Interpreters** for conferences or events requiring UN-style interpretation and special equipment.

**Telephonic Interpreters** for access to live interpreters by simply dialing a toll free 1-800 number and inputting an access code.

**About Globalization Partners International:** GPI provides [translation and interpretation services](#) into over 150 languages including Arabic, Chinese, French, German, Japanese, Korean, Portuguese, and Spanish.
